

Manage Onboards

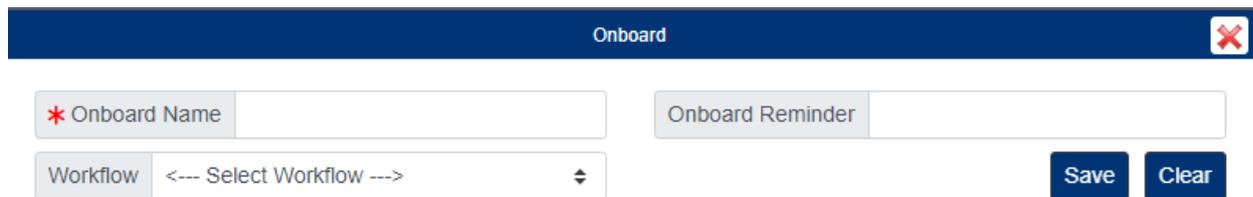

Onboards are designed to track required documents for assigned folders.

From the menu on the left-side of the screen, click Admin, then click Onboards under the first column: Fileroom Management.

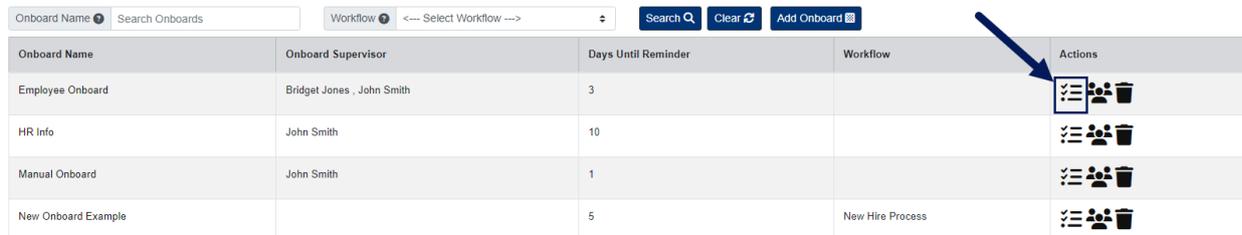

Here, you can search by Onboard Name and Workflow.

Add Onboard

- Click the Add Onboard button located at the top of the page.

- Enter the Onboard Name.
 - Enter an Onboard Reminder if needed. This is the number of days from the start of the onboard before an onboard is considered past due.
 - Select a Workflow to start when the onboard is completed if needed.
- Click the Save button when you are finished.
- To add Doc Types to the Onboard, click the Add Doc Types button under the Actions column on the right.
